Chief Anthony Amechi
Special Adviser, Investments
Delta State Government

Subject : Thank You for Your Inspiring Contribution at the Ireland Nigeria Partnership Investment Conference.

Dear Chief Anthony,
Thank you sincerely for taking the time to visit Ireland. On behalf of the entire organizing team, I extend our deepest gratitude for your insightful and engaging presentation at the Ireland-Nigeria Partnership Investment Conference. Your depth of knowledge and the stimulating discussions you led were both inspiring and transformative.

Your contributions sparked fresh ideas and fostered meaningful conversations about the immense potential for collaboration and growth between Ireland and Nigeria. The sessions were highly impactful, particularly concerning investment strategies and the establishment of bilateral partnerships.

As we look to the future, we're eager to explore the implementation of key insights captured during the conference, such as:

- **Leveraging Technology for Industry Innovation:** Driving growth in agriculture, healthcare, and finance through cutting-edge technology.
- **Establishing a Collaborative Online Platform:** Creating a space where professionals, investors, and entrepreneurs from both countries can exchange insights, identify opportunities, and share best practices.
- **Data-Driven Opportunities:** Compiling data to identify and quantify growth opportunities, aiding Nigerian businesses in expanding into the EU and supporting Irish businesses in entering the African market.
- **Ireland as a Gateway:** Utilizing Ireland's position as a bridge to the EU, facilitating Nigerian business expansion internationally and enhancing competitiveness.
- **Enhanced Bilateral Trade Support:** With the support of the Nigerian embassy, we have a strengthened foundation for fostering bilateral trade and mutual benefits.

If the Delta State government is keen on implementing any of these outcomes, we would be delighted to schedule a meeting to discuss this further.

Ireland Nigerian Growth Alliance (INGA) Business Conference

Theme: Innovation Through Partnering for Business and Cultural Excellence

Oct 14th - 16th, 2024 | Dublin, Ireland | www.inga.ie

We are enthusiastic about the prospect of further collaboration, and your continued involvement would be invaluable in shaping and executing these initiatives. We look forward to staying connected and working together to bring these ideas to life.

Thank you once again for your invaluable contributions and for helping make the conference a success. We look forward to future opportunities for collaboration.

Yours sincerely,

Mrs Evelyn Tobore Nomayo (on behalf of INGA Team)

Organising Committee Director.
